“ I was friend's with Joseph and his brother Tony for many years. He loved his family very much, we went to New Mexico, we took a road trip to Seattle, he was alot of fun. I was so surprised when my Uncle told me he had passed. God bless you Joseph, you are with your Mom 😊😘❤️.

“ I took care of Joes skin issues I'm the wound nurse at Innovage during treatment he told me that he loved chorizo , I told him that he was looking at the best chorizo maker in Pueblo . . He told me I will be the judge of that ; so I brought him some the next time he was in. a couple of days later he said " you were right that chorizo was the best " . I told him I would give him the recipe but unfortunately I didn't get it to him in time. God bless, you Joe . you can eat all you want with the maker of our family recipe...he's up there.
