“ Just received notification in the mail of Joe's passing, we are totally shocked! Our prayers are with Debbie and the entire Complo family and friends. Joe was so talented and always so helpful and made the world of finance for those of us that are less knowledgeable at ease and we totally trusted him with our retirement plans. He never thought twice about assisting and answering questions on work retirement plans that he was not managing. God Bless you Joe, don't know what happened but you left this world way to early!

“ Joe was a special man with a pleasing personality that made me feel like he was a lifelong friend at our first meeting. Jim Waters introduced us and I felt at ease immediately with Joe handling my retirement accounts.
I am saddened by his passing.
My deepest condolences to you and your family Debbie,

“ *To the family of Joe Complo,
Joe was one of my favorite young men that I had the good fortune to coach. I coached him in freshman Basketball and four years of Varsity track. He was one of the most outstanding track athletes that I ever coached. Not just because he still holds the Barnesville High School record in the discus throw and got second place in the Ohio State track meet, but also because he had a wonderful work ethic always striving to better himself. He was a gentle giant. I still frequently think of Joe and remember the good things about him. My deepest sympathy to Joe's wife, daughter, and grandson; and to tony and Jennifer for the loss of their brother.

“ *Dressing up as Santa Claus just so my kids would continue in their belief there was such a thing.*

All the coaching /supporting and strategizing Joe gave me at power lifting meets. With out Joe I would of never won any of them.

I'll miss the hell out of you!

“ *What a great friend. Basketball at the park, cruising Barnesville in Joe's AMC Pacer and hundreds of card games and gambling nights where \$5 won or loss was a big night.*

A big guy with a bigger heart
