“ *Bid, I was very sorry to read about the passing of your brother, Flea. I only met him a few times and I remember he was very personable. My brother, Patrick remembered taking Flea and our uncle Shaddy to lunch in San Francisco a few years ago. My brother really enjoyed talking with him. I'm sure you have many wonderful memories of your brother as well as everyone who knew him. God bless Flea. Sincerely, Tony and Patty Geonetta*

Another chapter closes with Joe's passing. He became the big brpther to Augie and Charles Anthony after their dad passed away. We were able to visit and catch up on family news after not seeing each other for many years at Augie's funeral. His dad and my mother, Sarah, were brother and sister, and we watched the boys grow up and become young men. He left a loving legacy to family and friends and he will be missed and fondly remembered. My condolences to all of you. Jean McCall
