“ So sorry Matt, bubba, and family for the passing of aunt Cindy. Cindy was married to my uncle Julio. Me and my sister Len use to babysit Matt, Eileen and bubba, when aunt Cindy and uncle Julio would go party. I remember Eileen being feisty since her youth. I had long hair and Eileen thought it was funny to put my pony tail in the fish tank with the pirahannas that they use to have in the tank. She was a handful. Now you all are united with all our loved ones who join you in heaven. R.I.P. we love and miss you all. God bless and until we meet again!
