“ I am so sorry to here about my neighbor Joyce. We spoke many times over the years that we lived near each other. Joyce and I were "survivor" friends. I'm very saddened she lost the battle. Thoughts and prayers to her family, husband and little Gunner.

“Joyce was one of my all time favorite people! I met her years ago while she was working at the Loaf N Jug in Pueblo West. She was hard working, with a winning personality, and happy laughter always. Of all the people who touched my life, Joyce stands the tallest!!! She was warm, kind, fun, full of life, and an awesome person. When she worked at Safeway, I would often see her while shopping. She would always holler across the top of the counter to say hello and we'd get a few seconds to catch up before she was right back to work. What a lady!! It's been many years, sadly, since we have visited as after I retired from teaching, I moved closer to family in Kansas City. However, Joyce has always and will always hold a special place in my heart. Heaven must be bursting with laughter at her arrival!! I know the memories of good times in this family will give all of her family and friends some comfort. And I pray that God holds this family tightly as that's the way Joyce would want it! Hugs and Prayers to all and a hearty congratulations to Joyce as she has left many special memories for all of us left behind!
