“ *Judy was one of the sweetest women I knew. I remember about 15 years ago admiring one of her plants in her front yard when I picked up my granddaughter whom she used to babysit. The next time I went to pick up granddaughter, Judy had dug up one of the smaller plants and gave it to me. I still have that plant in my yard. Judy's heart was big and she was a very nice lady. She will be missed. May her memory be eternal. Fran*

“ I first meet Judy when I joined the VFW Aux 3641 the instant we meet we became best friends. It was at a low time in my life, and she lifted me out of my despair. We would go to lunch often and later she became my traveling buddy, I think our first adventure was when we went to Las Vages Bull riding. We had a wonderful time and laughed a lot. I first introduced her to bull riding here in Pueblo, and she loved it. Our second venture was when we went to visit Pam Whitmore in Ind. We took the Amtrak needless to say that we one crazy trip. Our third venture was we went to Arz. this time we drove Our GPS was messed up it kept taking us in circles. Finally a Patrol man got us on the right track that was in Albq and then on to my cousins 100 birthday Party. We both had fun even when we got lost,. which was most of the time. She was such a caring person and I will miss her dearly She was my rock. God Bless you Judy you are now my angle. Marilee
