

Katherine M. "Kathy" Miller

September 6, 1955 - April 24, 2021

Katherine M. "Kathy" Miller, 65 of Pueblo passed away Saturday, April 24th 2021 at home with her husband, James Sprague by her side. Kathy was a very talented, artistic, friendly, and enthusiastic presence, a truly amazing woman. She taught not only her children and grandchildren but also many of her students at The Connect School and John Neumann Catholic School the importance of art and the ability to be creative with everything life hands you. She was admired for her many strengths including kindness, love, and generosity. Whether it was the first time meeting her or if you knew her your whole life, she would embrace you fully with a warm hug and her amazing smile. Her life revolved around her family, making sure everyone was happy, healthy, and well taken care of. Kathy fought a long, difficult battle with Alzheimer's Disease but through it all, her favorite place to be was always outside in her beautiful yard with her two koi ponds and dozens of her own creations. She found much joy in sharing anything she had with friends and family; whether that be the vegetables and fruits she grew throughout the seasons, her homemade salsa and the pickles she loved to experiment with while canning or just letting them admire and relax in her backyard sanctuary. She was always busy with a project and loved sharing her talents with the world. Kathy is survived by her loving husband James Sprague of Pueblo, her three adoring children: Jason (Angela) Miller, Heidi Miller, and James Miller of Pueblo, brother Donald (Edith) Lane of Indianapolis, her Foster-mother Alice MacEntee, Foster-brother Chip (Merrylou) MacEntee, her grandchildren: Katie

(Austin) Crudele, Brenden Miller, Jacob Felthager, Aubrie Miller, Madi Miller, Gavin Miller, Abi Miller, her great-grandson, Oliver and her friend and caretaker Tina VanCannon. A gathering will begin at 1:00pm Saturday, May 1, 2021 with A Celebration of Life to start at 2:00pm at the family home, 1327 Terry Circle, Pueblo, CO, 81006. “ *Kathy was always a happy, caring, and loving person who you were always happy to see because you knew she was always glad to see you, too! She always gave more to others and always went out of her way to help anyone, even when she was not doing well herself. Our world was a better place because of her heart! I'm sorry for our loss, much love to her and her loving family.*

“ I am so sorry for your loss. I haven't seem Kathy in almost 50 years, since we were high school classmates. But I always will remember her warm smile, kind words and smart brain. Even after all these years I remember Kathy as a very special person.

“ There are thousands of memories and fond thoughts with Kathy, my little sister. None bad & none regretted. She was like no other, & I think a person whom made everyone happy & smile. Skills & talents galore! She will always be in my heart & mind... and I will miss her Dearly. She always showed how to be kind & loving and I hope all whom knew her, will follow her example.

“ Kathy bowled on our Thursday Night team at Sunset Lanes and we enjoyed her upbeat personality and fun loving smile. We were a crazy bunch and I am so happy that Kathy joined our team because that started a great weekly friendship. I personally am happy that I got to know and bowl with Kathy. We were all very sad when she left our team due to health reasons. She accepted the fact that she had Alzheimer's but fought the battle without giving in or up. My heart, prayers and thoughts go out to her family since Kathy was a very special woman that will never be forgotten. Thank you Kathy for the time we got to spend with you on Thursday nights.
