“ Writing this post for my Tia Susan.  
Kathy had given her a rosary when she was first diagnosed with cancer. My aunt placed it with her baby Jesus in his manger and left it there. Last night my Tia awoke at 3:30 and couldn't go back to sleep. She had taken baby Jesus out of his manger that day to clean it. She turned the television on and the rosary was playing. Upon looking in the manger she saw the rosary Kathy had given her had a little piece of paper which she never read. She read it and it was a message from Kathy thanking her for being there for her. A note she had no idea was there. My Tia just wanted to share this story.
