The hardest thing in life to bear, is to want your son and he's not there. So forgive me Lord if I weep, for my son I love and long to keep, The sorrow I cannot explain for the ache in my heart will forever remain. He had a mile a pleasant way, A helping hand to all he knew. He was so kind, so generous and true. On earth he nobly did his best. Happy 1st year in heaven my son.
