

Kim Marie Meine (Ure)

October 28, 1958 - April 7, 2026

Kim was born on October 28, 1958, in Pueblo, Colorado, to LeRoy and Catherine Ure. She grew up in Pueblo and graduated from County High School before continuing her education at the University of Southern Colorado (now CSU Pueblo), where she earned her bachelor's degree. She later obtained her master's degree from the University of Denver. Kim was a pioneer for girls' sports in Colorado; she ran Cross Country with the boys before there was a girls' team. She built a long and successful career, working for Oracle Corporation for 26 years. Kim was known for her dedication, intelligence, and strong work ethic. She had a deep passion for creativity and learning. She loved gardening and took great pride in her 27-foot geodesic greenhouse dome. Kim was an accomplished photographer, with many of her works purchased through Dreamscape. Always eager to expand her artistic skills. She learned weaving in Mexico and, more recently, found joy in creating decorative flowers from plates—often thrifting to find unique and unusual designs. An adventurous spirit, Kim traveled the world, visiting six continents and numerous countries. She had a profound appreciation for different cultures and the beauty and wonder of the world around her. Kim is survived by her beloved husband of 35 years, Brian Meine; brother, Gerald Ure, and his wife, Lora; daughters, Rachel Meine and Alexis Meine; grandson, Franklin Chastagner; and many cousins, nieces, and nephews. She was preceded in death by her parents, LeRoy and Catherine Ure. Kim will be remembered for her creativity, curiosity, and love for her family. She will be deeply missed by

all who knew and loved her. In lieu of flowers, please consider donating in Kim's memory to the glioblastomafoundation.org. Recitation of the Rosary will begin at 9:30am followed by Memorial Mass at 10:00am, Fri, April 17, 2026 at St. Joseph Church with inurnment to follow at Roselawn Cemetery.
