“ Oh my dear friend Kristi ; ( I cant believe you are gone. I know we didn't see each other much after high school but you always held a special place in my heart. You were my Best Friend all through middle school and High School. We shared wonderful and funny times together. Went through milestones together when we were young. I'm in tears as I'm writing this, all I can think of is your witty smile, and contagious laugh. The times we would make up dance routines to Lisa Lisa and The Cult Jam : ) we thought we knew how to dance lol. We were together when we had our first boyfriends, and I remember when you got pregnant with Amy and then Megan. In later years you had Zane. All beautiful children. My dear friend, there is none like you. YOU were one of a kind. You my friend will be dearly missed. To your children GOD BLESS YOU all. And may the Lord comfort you at this very sad time in all of your lives. Zane your mommy told me how very much she loved you, she said you were her little man : ) Zoe wants you to know how very sorry she is and you are all in our thoughts and prayers. Mrs. Stilson, forgive me if I used the wrong name but that is all I have ever known you as, My Sympathies to you, I am so sorry for your loss. No parent should ever have to bury one of there own children. May GOD hold you, comfort you, and help you to be strong. Sincerely with ALL MY LOVE Mary Galvan  
GOD BLESS YOU KRISTI ; (

“ To all of Kristina's family. My thoughts and prayers go out to you. Having a young one leave you I am sure is very hard. I lost my mom at 84 and it was hard cannot even image what you all are going through. I met Kristina through her wonderful mom Lynne and dad Denny Stilson. I met her when she was just a little girl and she was such a joy because she took after to wonderful parents. She will be deeply missed. Lynne if there is anything you need please let me know. I love you all. Your forever friend
