“ *My sweet Kyle Bussey, the days move on but without you and without myself. I've locked my mind away in our memories, in your smile, in the sweetness of all that you were while living here on Earth. You should've never been taken away, you are without a doubt, the most beautiful and incredible person to ever exist. I wish so badly I could turn back time or to have prayed and God would've granted me awhile longer with you. Life will never be the same and the heaviness of your absence will be my cross to carry every day. I love you. What I wouldn't give for one of your hugs, to hear your laugh, to see your smile.*

“ We have so many sweet memories of Kyle and our sweet and loving family. Brynley and I were just sitting in the backyard and sharing so many beautiful memories. Her favorite memory is when they were little and Kyle was giving piggy back rides to all of the little kids in the lazy river when we went to south suburban in Lone Tree. Kyle must have went around and gave piggyback rides at least 50 times or more. He was so happy to bring so much joy to his little cousins and Jenna. So many beautiful memories! And as Uncle David's sidekick and best friend they would stay the night with us when they were going to a concert in Denver. I love those memories. Such a loving heart! Family is forever! We love you Kyle and we love all of you so much! ❤️

“ My heart will never be the same! I Love You Kyle with all of my heart and soul! I'm going to miss our daily talks on your way to work & then again on your way home! I'm going to miss when you would come by on your day off to have coffee and chat about life in general. Your smile brightened up a room. You loved with all of your heart and you were so kind to everyone. My life will never be the same without you in it. I Love You my Beautiful Son Always & Forever. Love Mom ❤️

Kyle Bussey was a young man of many virtues. He was humble, gentle-spirited, grateful, gracious, and peaceable. Kyle wasn't a complainer. He liked to keep things positive. I will remember Kyle's radiant smile, and how he loved to laugh. He had an enduring love for my daughter, as she did for him. Kyle was like a son to Pasha, and he was one of John's best friends. Our family went on some great adventures with Kyle, and we made many happy memories which we will always treasure in our hearts. We will all miss Kyle's presence on this earth, but there will one day be a reunion in Kyle's new home. He has moved to heaven. We love you, Kyle.
