

L'Nore Hendrich

July 21, 1946 - November 19, 2020

L'Nore Hendrich, born July 21, 1946 in Ellsworth, Kansas, went to be with the Lord on November 19, 2020. She is survived by her husband, Robert Hendrich; children, Bobby (Tonia) and family, Russell (Chelsea) and family, and Cherie (Scott) and family. L'Nore was a loving and hardworking wife, mother, grandmother, and great-grandmother. She loved spending time with her grandchildren and also enjoyed antiques. She excelled at homemaking, always adding a special touch of love to everything she made. She also did childcare for 38 years, providing a loving environment for many children over the years, caring for them like her own. She will be dearly missed. We love you so much, Mom. The family thanks all who have prayed for her during her illness. No services will be scheduled due to Covid restrictions. Online condolences can be made at roselawnpueblo.org

“ *My heartfelt condolences to the Hendrich family. L'Nore cared for my son Matthew when he was a baby until he was pre-school age. Some of Matthew's fondest memories are of coloring Easter eggs and baking cookies with L'Nore and Bobbie Jean and of course acting as ring bearer at Russ and Chelsea's wedding. Matthew is 30 years old now and every Christmas without fail, he asks me to bake some of L'Nore's sugar cookies.*

SO

“ *Bob, Bobby, Tonya and family,*

We are so sorry to hear of your loss. We know how hard it is to loose someone so special, especially during this COVID, it makes it harder to grieve the way we are use to with a funeral. Just know that L'Nor is now young again and loving her Lord Jesus and watching over all of you. May God wrap his arms around you all and give you comfort during this hard time.

Love,

Curtis, Sandy, Kaely, Ashley and Amie Osborne

“ L'Nore is an incredibly important person in my life. She was there for at least half of my earliest memories. She took care of me from 6 weeks old until I went to school. I remember her house very well, specifically a big grandfather clock. I remember the kids I was there with, like Bobbie Jean, and Mathew. As I think back I'm remembering details and days that I probably haven't thought of in 15 years or more. L'Nore had a huge part in who I grew up to be. I only have fond memories of growing up around her. I'm 24 now with a 3 month old daughter. I hope I can fill her life with people like L'Nore. She was the best.
