“ My lifelong friend, I will miss you forever. We shared fifty years of memories. It didn't matter if it had been a year sice we last talked we could just pick up where we left off. The many fun times we had will forever be in my heart. We did some crazy things as young people, remember when we took your car to City Park out on the frozen pond? Remember when we ditched school and got caught? Didn't we have fun when we got snowed in at Cripple Creek and had to gamble for days, oh darn! Remember our cruise several years back? We had such a great time. You loved the "zip line". Oh, Lana, I shall never forget you and will love you always. Rest in peace, my special friend.
