

Laurence Conrad Hartman

June 18, 1942 - December 29, 2025

Laurence Conrad Hartman, 83, passed away on December 29, 2025, in Pueblo, Colorado. A man of enduring strength and unwavering faith, Laurence lived a life marked by dedication to his family, his craft, and his beliefs.

Born on June 18, 1942, in Colorado Springs, Colorado, Laurence grew up with a deep appreciation for hard work and creativity. He pursued higher education at the University of Southern California, where he earned a Bachelor of Arts degree in Film Directing. Though his academic background was rooted in the arts, Laurence ultimately found his calling in construction. As a general contractor for many years, he played a vital role in shaping the landscape of Colorado's Front Range. His work helped bring to life numerous buildings that continue to serve communities across the region.

Laurence also served his country with honor during the Korean War as a member of the United States Army. His military service reflected the same sense of duty and resilience that would define much of his life.

A man who found joy in both nature and mechanics, Laurence had a passion for growing roses and grapes. He took great pride in cultivating beauty from the earth. Equally at home with tools as he was among his garden beds, he loved engineering projects and spent countless hours working with his hands on boats and cars—endeavors that brought him both challenge and satisfaction.

His Catholic faith was a cornerstone of his life. A devoted member of the Shrine of St. Therese in Pueblo, Laurence drew strength from his spiritual

community and remained steadfast in his beliefs throughout his life. Laurence is lovingly remembered by his brother Patrick M. Hartmann; sons Michael Hartman, Joseph Hartman, and Tanner Hartman; daughter Tara Storm Williams; and grandchildren Sylvia Russell, Sydney Hartman, Cheyenne Kilpatrick, Bailey Clark, and Nathan O'Rourke. His legacy lives on through them and through the many lives touched by his work and presence. May his memory bring comfort to those who knew him and serve as a lasting reminder of a life well lived.

“ Larry and I were 2nd cousins. I knew Stormy, Mike and Joe but not Tanner. Lost track of Larry when his sister Maureen passed. We were close during our teen years thru our forties and then he left the Springs. So very sorry to hear he passed. We were born a month apart in 1942. My sincere condolences to all his family. Tried to find him but couldn't. He must have wanted me to know he passed because I just saw his OB. My Love and best wishes to all his family. I will always miss his fun loving spirit as we shared many wonderful moments together.
