“ *I'm sorry I didn't have the privilege of knowing Mrs. Aguero personally. But I came across her obituary and felt very bad about your family's loss. I wanted to share something with you that gave me great comfort at a time of sorrow. It's found in the Bible at Revelation 21:3,4 where it talks about a future time where pain and death would be things of the past and Acts 24:15 that speaks of a future resurrection.*

*Please accept my deepest sympathy.*

*“ I was so shocked when I found out about Leilani" death. I lived in Pueblo for many years and we were friends, since moving to San Diego we lost touch, but I have some good memories especially she would make delicious tortillas and she would always share with me. I was married to Larry Downey at that time, so Al you and your children would know me by Ruby Downey not Molina My heart goes out to you and your son and daughter, she will always have a special place in my heart, what a beautiful person she was I love you Leilani Your friend Ruby Molina San Diego.CA*
