“ *My condolences to Linda's children and to her grandkids along with the entire family. I am blessed to have had a Linda as a friend. She was like a cousin since we saw some family occasions together. And my school years were the best as she became a good friend. Lots of laughs at lunchtime. Never a dull moment with her presence. I know she will be missed by her family. God bless you all. You will be in my prayers and Linda will look down upon you all lovingly. Good bye for now my friend. Until we meet again.*
