

## Linda Lorraine Fisher

June 14, 1964 - October 10, 2024

With deep sorrow, we announce the passing of Linda Lorraine Fisher, a woman of extraordinary compassion whose heart always saw the best in people. Linda had a rare gift—she saw greatness in everyone she met and never focused on the bad in anyone. Her kindness, patience, and belief in the goodness of others will forever be remembered by those who knew her. Her favorite color was purple, a reflection of her quiet strength and grace. Linda's empathy extended to all living things, and she shared a special bond with her pets: her two dogs, Stanley and Bloo, and her beloved cat, Elliott, who brought her so much joy.

Linda passed away due to complications from kidney issues, but her spirit remains strong in the hearts of her family. She is survived by her loving daughter; Courtney Fisher,; her cherished grandson, Jonah Fisher; and her dear pets, who were always by her side. Together, they will carry forward the lessons of compassion, strength, and love that she embodied every day.

A celebration of life will be held ay 1:00pm, Wednesday, November 6, 2024 at the family home, 924 W. Adams, Pueblo, CO, 81004

“ Linda and I were roommates in 990 in California. We lost touch years ago. I've been searching for her to find this. My heart is breaking. She was one of a kind. She was the kind of friend who knew how to love. I've missed her for years and will for the rest of my life. I have many pictures of her from those days. If her family would like to see them please reach out to me on facebook. 💔
