My name is Della Terrones King sister to Linda J Terrones. I was at home in Crowley when mom (Dora Terrones) went to hospital to have Linda, Lydia was on a date & I waited up for her so I could tell her about mom. Next day we went to visit mom & Linda. Please do not say or write untrue things about my family. I was at home during all this time so I experienced it all. I do not know who u r but u need to never do anything about my family ever again
