“ My condolences to her family. Her and I never really saw eye to eye. In fact, I don't think she liked me very much. But I always thought she was a nice woman. It is a shame she passed on. I know she'll be watching over us all from Heaven. She will be missed.

“ Linda was my cousin as her dad George and my mother Josephine were brother and sister. I knew Linda very well during my teen years and into my late 20's. Linda baptized my daughter Shannon. She was a great friend. My wife Terry and I spent almost every weekend with Linda, Les and the boys either bbqing, playing Shanghai rummy or poker. Our lives drifted apart when Linda and Les separated. I am saddened by her passing and wish we could have stayed in touch over the years. Ross Ortega
