“ We had the pleasure of meeting Lisa a handful of times, she captured the energy in a room and always had a smile on her face. She left this earth too soon, but God needed her a little more. Our hearts and prayers go out to the beautiful family she belonged to.

I'm sorry,

“ I want to share a poem for my baby sister Lissa.

God's Garden

God looked around his garden

And found an empty place.

He then looked down upon the earth

And saw your tired face.

He put his arms around you

And lifted you to rest.

God's garden must be beautiful,

He always takes the best.

He knew that you were suffering,

He knew that you were in pain.

He knew that you would never

Get well on earth again.

He saw the road was getting rough

And the hills were hard to climb.

So He closed your weary eyelids

And whispered "Peace be thine".

It broke our hearts to lose you

But you did not go alone...

For part of us went with you

The day God called you home.

I love you sister, Daniel

“ *Lissa was our neighbor for a while and I saw her as such a beautiful young lady always wearing a smile even when I knew she was angry. When we walked outside and heard her laughter it was not hard to smile and let a chuckle. She left this world way too soon. She has a kind family that I am grateful to call my friends. Thoughts and prayers are going out to all of you whose lives have been touched by her and her family. I love you all!* ”
