“ Oh dear Loa, I was thinking of you today and wondering why we had lost touch. I had assumed I had done something wrong. I'm devastated to discover you had passed. I will always remember your kindness, our lunches together and the hot springs trip. You were a wonderful human being, kind but honest and never minced words. I admired that the most about you. Thank you for taking me under your wing at the county jail and showing me so much respect and kindness when others did not. The memories of our friendship will always be treasured. I'm sorry I'm just now finding out by googling if your death was a possibility.

“ My Sweet Loa, I was in shock when I heard of her passing, She worked at the court house on my Mondays off. She was funny with her wit & talked about her animals & shared stories about our Miniature Pins. We were the "old gals" of our co-workers. LOL. I still can't believe she's gone physically, but I know she's in a beautiful place of peace. My prayers go out to her family for peace & good memories. I'm sad I could not be there at her service, but I hope to be able to see it on line. You will be in my thoughts today Loa, I love you Girl!
