September 13, 1962 - August 3, 2024

Lorne "Jerry" Walter Goddard III, 61, of Pueblo, Colorado unexpectedly passed on August 3, 2024, as his loved ones and the Lord had opened Heavens Doors for him. He was born in Pueblo, Co. on September 13, 1962 to Dolores Irene Martinez and Lorne Walter Goddard II. Jerry grew up on the Northside of Pueblo, Co. with the Reyes family receiving his GED from Centennial High School. At 15 years old, Jerry met the love of his life, his soulmate, Nicki Lee Bayless, marrying her in 1979, celebrating 46 years of marriage. Jerry and Nicki started a family having their daughter on May 5, 1980, Nicole Thersa Irene Goddard and then their second child on March 21, 1983 Crystal Lee Goddard, his girls were his absolute world! Jerry was proud to serve our country in the Navy following the footsteps of his father in law Wayne Bayless from 1979-1986. After serving his country Jerry went into the food business managing several different restaurants to owning his own food establishment 29th Street Submarine Sandwiches. Jerry owned 3 different locations from 1992-2008 before making a career change helping IDD adults alongside his youngest daughter, Crystal, at the Pueblo Regional Center. Jerry worked at the Pueblo Regional Center for 18 years starting from the bottom making his way up to Staff Development Director. He was so proud of his department and what he and his team had accomplished. Jerry made a difference in so many of the lives of the individuals we served as well as their families and guardians and several staff members. Jerry was a true friend, a ride or die friend and it was an honor to be called his friend. Jerry had many

friends, his family couldn't go anywhere without stopping to talk to someone he knew. There were those friends he knew he could call upon at any moment no matter how long it had been, The Reyes, Tim Watkins, Jake Malone, John Falsetto, Henry Sandoval and the list could go on forever. So many acquaintances from owning 29th St. Subs to working at the Pueblo Regional Center. His Staff Development Team from Pueblo, Wheatridge, to Grand Junction, Robert Perea, April Ponce, Anna Delellis, Utahna Lee, Jamie Atencio, and special bosses Elaine Fisher, Jodi Merrill-Brandt and Charles Farris. Outside of work there was nothing more special than his pride and joy for his grandchildren, they were his absolute world! He loved more than anything to be called Papo. Jerry had 6 grandchildren that he adored and dedicated his life to, Darius Mondragon, Alison Martinez, Keira Aragon, Julian Goddard, Meilaini and Dominik Jones. He loved more than anything to spend time with them from watching the girls dance, oh all them dance recitals, to taking them on vacation, going to the movies, to his favorite thing of going to Street Outlaws. Jerry loved to watch movies and certain TV shows series but most of all he loved his fast car, his BumbleBee Camaro. He loved his car so much and was able to race it a few times at Bandimere Speedway for Street Outlaws. Not many knew that Jerry had a special person that he also called his daughter. In 1998, Jerry's family had a foreign exchange student from Munich, Germany. He soon welcomed Claudia Kunert into his family and who would've ever known that she would then become his daughter, a sister, to the Goddard Family. Jerry loved Claudia as she was his own and spent his last birthday with her in 2023. “ *Jerry, when you first started at PRC you were always energetic to learn more about different jobs so you could advance. Well I took you under my wing as I did with your daughter and you both advanced at your jobs. As we stood together for many years, our friendship grew you could say we were like brothers. I will miss you and I pray for you, I know you are with God. I would like to say Happy Birthday as well.*

*God Bless you,
Henry*
