“ My Aunt, my friend, my sister, and Godmother; you were all of these to me during your life and mine. We shared so many memories I can't think where to start. I will never forget the fun times we had. Laughing so hard at the silliest of things, crying when we couldn't be consoled by anyone but one another, sleeping in the bed of Grandpo's pickup looking up at the beautiful summer sky and counting stars, talking late into the night, sharing countless dreams, hopes, disappointments and successes. You were such a sensitive soul, caring for everyone who knew you, fighting until your last breath and thanking God for everyone and everything you had been blessed with. My only regret is not getting to see you before you closed your eyes for the very last time and drifted off to eternal sleep. I Loved you my whole life, and I'll miss you for the rest of my life. I hope you're laughing, and singing with Grandma and Grandpo in a beautiful garden made just for you 🌹❤️❤️ RIP until we're together again. 🙏🙏🙏 Love always your, Ninfey
