“ I am so sorry that I was not able to be at the services. Hank and Roxie Ann were more than hospitable to me and my son in our time of need. Thank you to them for all of the comfort and support. Roxie Ann and Hank treated us like family and we will never forget them. I have very fond memories of them both. No one will ever know how much Roxie Ann meant to me. She was a provider of not only a home, but understanding a caring. Hank taught me a lot about Master Gardening and patience. thank you to them for everything they did to help my son, Joe and I through the most difficult time of our life. RIP my two dear friends. I miss you every day.
