“ I have so many fond memories of Lucille. I am so glad I got to see her a few years ago. I will miss her dearly. I tremendous being told not to bother them as a child, and I didn't listen, and or family became great friends with Frank and Lucille. Love you lots.

“ Aunt Lucy came to our home frequently when I was a child. My Mother, her sister, would fix her hair and I would play the piano for her. One of her favorite songs was Stardust. I always enjoyed these times very much. She was very faithful in visiting my mother when she was in the nursing home. Aunt Lucy was a wonderful person She lived a long life and will be missed a lot.
