“ Aunt Lucy, I will dearly and surely miss you. I was very grateful for you teaching me how to make enchiladas and tamales, the whole family loved them and asked for more. You always reminded me of that movie star/model from the 1950's and 1960's. I believe her name was Norm Jean Baker, but it was changed (with the help of Hollywood) to Marilyn Monroe. They say she died of a drug overdose, but there were all sorts of rumors flying around back then. Good Bye Auntie, I will miss you dearly.

Love,

Tina
