“ I had the great pleasure of first meeting Mrs. Spaccamonti way back when Katrina and I became friends our first year of college. She was such a classy and heartwarming woman and she would spare nothing for anyone. I feel grateful to have met her and she'll now be in a place to grace many more lives. Our thoughts and prayers are with your family now and always.

“ My heartfelt sympathy goes out to Madaline's Husband, Children, Grandchildren, Sister and Brother. Madaline was a very dear friend during our high school years and beyond. We shared many fun times going to movies and polka dances. She will always hold a very special place in my heart. Heaven has gained an angel. May God comfort her family during this sad time. “ May you all find comfort in each other and all of the wonderful memories as you walk through this time of great loss. I am so privileged to have been able to share a small part of Madaline's life journey. She was so kind and caring. I feel so blessed to have known her. Although you can not touch her or see her, she is still here and you will feel her in a breeze, in the sunshine, in the clouds, in a song, in your heart. Listen, she will be talking to you and helping you along the next path of your life journey. God bless you all. Pam Keller
