“ We are with you in spirit and we know this time is very difficult for those who were with her if not daily, weekly or monthly. She lived a long and beautiful life and she carried herself so gracefully. I will always remember her as she was so sweet and attentive when we visited Pueblo. I'm sure that she is with the love of her life now, Uncle Nick. We pray that you take solace in knowing she's with our Lord and Father and we will once again see her in the after life. Lovingly,
