“ *Maggie, As I knew her was a long time neighbor. Her son became my immediate supervisor at Vineland Middle School. She loved her yard and work diligently to make it a show place. She supported all of her sons endeavors and was a very hard worker*

“ *Margaret was always very kind to me. She loved cooking for her family in the earlier years and continued to make me a birthday cake even after I remarried and moved away. She was creative, artistic, interested in history, and tried many outlets for her creativity. I'm sure she'll be remembered lovingly by her extended family. Rest in God's peace.*
