Margaret was very devoted to her family. She always made time to make special memories with all of her family. Grandma had a very special bond with all of her "grandchildren". She enjoyed crossword puzzles, playing scrabble, cards, and watching game shows. Bowling was one of her favorite pastimes. She was always one to say, "You learn something new every day!" and she tried her utmost to do so. She, being an ACE in the kitchen, loved to share all

her favorite recipes. Grandma Margie was one of the strongest people any of us have and will ever meet, and had had her fair share of ups and downs, but she never let any of it keep her down. Always happy with a smile on her face and in her heart, rooms seemed to lighten up when she was around.

Grandma you were our favorite hello and our hardest goodbye.

YOU ARE DEEPLY MISSED

Until we meet again.
