“ *Our love to all the family . We have always loved Peg. We grew up together. Although Peg and I (Debi) were first cousins, she was my best friend. She was a few yrs older than me but we used to do everything together. She always called us sisters. There is one thing that always stands out.,If I was over, and she was going to go hang with her friends , she ALWAYS took little Debi with her.I will forever love her.*

Peg was a kind and wonderful woman who made everyone welcomed in her home. My daughter couldn't ask for more kind Mother-In-Law. I got to see and talk to her a few days before she passed to thank her for treating my daughter Bobbie Jo like she was her own daughter. Peg you will be missed, but you're pain and suffering is over and your at home with our Lord Jesus Christ. Love you Peg
