“ My condolences to Marilyn's family, especially her sons, she loved them so much and was always proud of the both of them. I worked with Marilyn many years ago at Watts. I introduced to her to her friend, Bill Turner. Rest in peace my friend, God bless you.

“ I met Marilyn at work back in the 90's. She was a great lady and was such a happy person. We haven't seen each other for a while but I always will have love in my heart for her. My condolences to all of her family.

“ All of my memories of Marilyn are of a Happy, Funny, Loving Woman who saw the best in everyone. My wife and I have lived out of state for a very long time and we only got to see her once or twice. But, her memory remains as one of the sweetest ladies I've ever known. May the Lord comfort you ALL in this time of sorrow.
