“ Tino you will be greatly missed. You always had a kind word to say, always had a smile on your face. I have missed seeing you and just stopping to say “hi” in the morning when I would get off of work and you would be in your jeep just listening to music, smoking or playing on your phone. I will definitely miss your ginormous hugs because you had a huge heart! Rest In Peace and we will see you on the other side when our time comes.
