*Mark & I went to school together at Centennial. I'll always remember when he would come into history class with chew in his mouth. He would sit in class & spit into his little cup. One day the teacher asked him if there was something wrong with his lip. He said no & the teacher told him to get rid of it. He was a great friend & he will be greatly missed. I will keep him & all the family in my daily prayers. Always in His name, David Lopez*

“ *Dear Mark Van Dyke Family, you are in my heart and sending prayers. I have been out of town and recently heard Mark went to be with the Lord. Mark was an awesome supervisor, friend and man. He would always had a sparkle in his eyes whenever we talked about family and had great pride in anything he did and always willing to help. God Bless your family.*

“ *My dearest Mark...I will miss our  
conversations, work or personal. Always  
starting out a conversation with "Hey  
sweetheart" and ending "Bye sweetheart, we  
will talk soon." Your love for your family is who  
you were. Til we meet again...Keo*

“ *To all the Van Dyke's, Just found out down here in Mesa, Az. and I  
just wanted to send my deepest thoughts and prayers your way.  
Hearing about Mark and his passing brought back fond memories of  
his days at Centennial both as a student and football player. These  
are times I wish I was still there to lend some type of support.*

*All of you take care.*

“ Words cannot even begin to express our thoughts and feelings for Mark. Mark was special! He was our friend, he was like a brother to both of us. When we think of Mark, we think of love. Love for his family was first and foremost in his life. His family was his life. We are very blessed to have been a part of his life, and he a part of ours!

*Our love, thoughts, and prayers are with you always!*
