“ *Marlene was a neighbor when my family and I lived on University and was a former client of mine. Mrs. Peterlin was a very classy, polite woman whom was a complete joy to be around and visit. Marlene is no longer in pain and is one with God and the Angels, she has her wings. Words cannot express how much she will be greatly missed and still loved. When you look into your eyes or you children Marlene is looking back with her smile and laughter. My prayers and thoughts are with you during this difficult time especially with her favorite holiday approaching she will be with you.*

All my condolences
