“ *i will always miss and love you cousin Marsha. I have so many memories of you taken me places and always treating me like i was yours i really felt special when you did that. I am so glad we kept in touch and i got to speak to you and tell you i love you. You are always on my mind and soul. I will never forget you and always take what you taught me in life and never forget it. To my family i will always be here for you and i am only a phone call away no matter what.*
