“ Marty and I shared overlapping Thursday morning hair appointments. She was such a kind soul and it was a joy to visit with her. My hair appointments won't be quite the same. What a treasure her memory will be for you all. Beth

“ To the Guadignoli family,

Marty was a wonderful lady and always treated our family with kindness everytime we were around each other. I remember her from the back room at the east side Safeway checking me in. She always had a smile on her face when she seen me. Heaven has gained an angel with her passing, I'm sure my mom and dad were there in thee midst of those who gathered to greet her when she got there.

With the utmost respect and love
