

Martha Jordan

October 13, 1987 - May 9, 2022

Martha Jane Jordan, of Pueblo Colorado, died unexpectedly on May 9, 2022. She was only 34 years old. The family is deeply saddened and shocked by her sudden death. She was born on Oct 13, 1987 in San Diego California. We moved to Colorado Springs Colorado when she was just 7 years old. She attended Coronado High School and lived in Colorado Springs for most of her life. Martha was an adventurous child who spent one summer hunting dinosaur bones and studied Zoology at Pikes Peak Community College, where she went on to be a zookeeper for a time at the Cheyenne Mountain Zoo. Her love of life was contagious and she never met a stranger. Everyone who knew Martha knew how she was. She is survived by her daughter Evelyn Jean Brenna Jordan, her brother Trent Daniel Berg and her mother Linda Lee Curry and an abundance of family and friends. She was preceded in death by her father, Mark David Jordan, her Paternal Grandparents, John and Sarah Jordan, and her Maternal Grandparents, Robert and Gloria Curry. We will miss her more than words can say. Our family is grateful to know that Martha is finally at peace.

Services/Celebration of Life are still being planned at this time.

A Gift from God

“I’ll lend you, for a little time, a child of mine”, he said, “for you to love the while she lives and mourn for when she is gone.”

“It may be six or seven years, or thirty-three or four.” “But, will you? Till I call

her back, take care of her for me?"

"She'll bring her joy to gladden you, but may her stay be brief, you'll have her lovely memories as solace for your grief."

I fancied I heard them say, "Dear Lord, thy will be done. For all the joy thy child shall bring, the risk of grief will run"

"We'll shelter her with tenderness and love her while we may and for the gift you've given us forever grateful stay."

"And, if you should come to call for her much sooner than we planned, we will brave the bitter grief and try to understand."

“ I was thinking of you tonight as I was remembering your 13th birthday. What a great party that was, also on Friday the 13th. I am so sorry the world has lost your light Martha.

“ Just finding out about Martha’s passing and I am heartbroken. She came out to visit me in N.Y. for a week. A week that is still one of my fond memories. I remember her wanting to go to Watkins Glen so I made sure it happened. I also could not let her come all the way to NY and not get to see Niagara Falls. Martha was so full of life and was so very awesome as a person. Rest well my friend and will be looking forward to seeing you on the other side.

“ *Martha darling. Your nickname sunshine was so fitting for you. You would walk into a room and instantly light it up. And with you gone , mine and many others are left yearning for that light. Baby i miss you so much. And I still walk in the door expecting you to say something witty or just say I love you. But I don't hear anything at all and I start to cry. I'm so glad I got to spend the last 15 years or so with you and so very grateful that you shared that time with me. You always had my back. Even at times you probably shouldn't had. But now I know you're in a better place hopefully happy and carefree. And probably cracking jokes just like you did here. You will always be my heart. Until we meet again my love. You will always be with me.*

“ Martha was a dear friend to me. We would talk for hours. Anything from animals movies and life events. We were pretty far away from seeing one another, so we would call...decide on a movie to watch, push play at the same time. Then text back and forth about our ideas of the movies. I looked forward to every single conversation we could share. Most of it was humorous and loving. Some of it was about things we kept to ourselves. Yet had the trust to share with one another. Martha was the absolute best. A very good person. A great mother, a fantastic friend and lady I'll miss for the rest of my own days. I wish family a very seriously legit condolence and I will remember her every day.
Martha, you rest well. I love you.

“ We have wonderful memories of our trip to Colorado when Evelyn was just a baby, and again of your trip east when Evelyn was 3. It was so enjoyable to spend time together and we cherish the time we had with you. We so look forward to sharing those memories with Evelyn someday. We truly love you both,

“ We kept each other sane when working at the animal shelter by being there when it was tough and sharing the same sense of humor. She was a great friend and I'll miss us discussing our future plans. She was so wonderful.

“ I worked with Martha at home Depot in Encinitas. She brought a smile to everyone's face he spoke with her. I would bring her a lollipop every week until it's because she was sweet. I will miss the chance to give her a lollipop again.
