“ Dennis and Dallas, I extend my sympathies to you. Our families go way back. I remember visiting your grandma and mom and Anne in Walsenburg when I was little. During WWII your mom lived with us in Pueblo while she worked at the mill. I remember her leaving and coming home with her hair totally covered by a hat that caught up all the hair in the back. Funny that I should remember that. I will tell my mom, Alice Okicich Massaro, when I see her today.

“ *Dallas, Dennis and Kastelic family and relatives. My deepest regards on the loss of your Mother Mary. Everything must come to pass, including the lives of loved ones and friends. Your family friendship to my family, goes back at least 60 years or more. It is that friendship that I will always remember. Every time I drive by your old house on Orman Avenue and the house on Minnequa, I think of your family. As I have another commitment for your Mother's services I will not be able to attend. May God Bless you all and the memory of your Mother.*

“ To the Kastelic Family – We lost a special soul this week, kind, joyful, and full of expression. Aunt Mary brightened up the room when she walked in! Several Christmas’s I remember her gracious greeting and preparation to serve her family with many home cooked goodies. Full of laughter and stories Uncle Fritz and Aunt Mary would tease each other, making our visit fun and delightful. Dennis and Dallas would throw the football around with me in their back yard adding more enjoyment to the holiday. Not too many young teenagers looked forward to his Aunt and Uncle’s visit...but I guarantee this was “youngin” (back then) could hardly wait to see the Kastelic’s. Memories are there forever! God Bless Aunt Mary and Uncle Fritz and the rest of the Kastelic family, you’re all in our thoughts and prayers. We lost a diamond in the rough this week... and she will truly be missed!
