“ *With Heartfelt Condolences to the Martinez & Sisneros Family in the loss of our Dearest Bernadette. She and I first met in Beulah Heights Elem. School, and although there after we went to different schools, we would run into one another throughout the years. Although I moved out of town and whenever I returned home Bernadette would go out of her way to take me to Cactus Flower for lunch. She was such a upbeat, kind person, always ready to greet you with a Smile. She is asleep now, in no pain. Until we meet again, may we Always Remember her with a Smile.*

“ *I've known Bernadette since I was a child. Throughout my life she was always kind, sweet and giving. Her big beautiful eyes and matching smile always lit up a room. Bernadette was always one of the first to post a positive comment on my facebook posts. I send my love and thoughts to her children, her family. Bernadette will always hold a special place in my heart.*

“ I am deeply saddened to learn of Bernadette's passing. We were best friends back in our early 20's, and remained friends throughout our lives even though we lost touch for a few years. A year and a half ago, I ran into her and was so happy to see her again. My heart ached for her and her children when her husband passed away, and now my heart aches for her children again, and her other family members, and my sincere condolences to all.

“ To the Sisneros, Martinez and Sanchez Families Our sincere sympathy for the loss of Bernadette. We have wonderful memories of Life Care Center, where we were first introduced, as our mothers were neighbors. Lots of tears, fears and love were shared between our families and the Sisneros family will always be special to us. Eternal rest grant unto Bernadette and may she rest in peace along with her heavenly family. God bless you and give you peace. Love you.

“ My thoughts and prayers go out to all friends and family of our beautiful Bernadette.

Bernadette and I became BFF;s in our middle teens through our early adult years. We went through our first of everything together, first love, first heartbreak, first car, first bar and more. Although growing up distances young friendship anyone that knew Bernadette knew she was a friend for life! She was there for my first loss of life with my neice Ashley and continued in my corner with the loss of of my mother, my father and supported my children when they also lost their father. Nothing stopped Bernadette from always being a dedicated caring friend that made you feel loved and always showed up no matter what it took to get there. Cheers to the celebration in Heaven! I love you my beautiful friend!!

“ I had the opportunity to know Bernadette and her sisters since Corwin Middle School. She was amazingly beautiful, classy and loving. In a society where sincerity and lack of dignity can be accepted as the norm, Bernadette never went there. She always had a ready smile for you and was sincerely interested in whomever she was talking with at the time. Her compliments were priceless. My prayers are with all that are grieving the loss of this angel. Janice Golob Hoover

“ I've known Bernadette since high school. After I moved to Denver I would see her at King Soopers when I was in town and running errands for my Mom. She always came around the other side of her work station to give me a hug and ask about my Son and Parents. We reconnected a few years ago soon after she lost her Sister Loretta and I had lost my Brother Dennis. One night when I was in town she and Kenny picked me up and we went out for dinner. She came to the door with a huge box of chocolates for my Parents. She was always so thoughtful and kind. It's no wonder she had so many friends. Bern, I know you have been reunited with your beloved Kenny and are flying with the Angels. You will be missed by so many . My heart goes out to Dean, Kendra , Crystal , Rocky, Lorraine and their families.

“ I went to middle school and high school with Bernadette. I hadn't seen her for many years until 3 years ago when she messaged me on fb and told me there was a remembrance candle of my dad at her Church for the family. She asked if she could bring it to me which I said yes and she brought it. I was so overwhelmed by her thoughtfulness. We were friends on FB for a few years and she always had such kind, loving words to say. She always knew the right words to say. She was very proud of her children and loved them so much. My heart hurts for them. Prayers for all her loved ones.

“ To all family and friends. I just want to leave my sincere condolences as I am saddened as I picked up the newspaper today. Bernadette was one of the most kind individuals you could ever meet, even if she met you for the first time, you could see and knew that she would be your friend for life. I will truly miss the kind beautiful words she always spoke and that beautiful smile every time you ran into her.. If the family needs any help whatsoever going through this time of grief and hardship please feel free to give me a call, if I can help in any way..

“ *Who didn't know Bernadette "our favorite checker" from King Soopers. You met her once and she was your dearest friend. Although we lost touch over the years when we saw one another it was like a day never passed. One of the best things about knowing Bernadette was becoming friends with her BEAUTIFUL daughter Kendra. Kendra, my thoughts and prayers go out to you. Call me if you need anything, Love You! Paula*

“ Bernadette came into my life in the late 80"s. I met her thru friends she worked with at Kings Soopers. Many, many times she always had the best thing & advice to give to you.. Thru the years she never missed a beat. She was always there for comfort care to whoever needed it, all the while never worrying about her own self. If ever the was to be an "Earth Angel" she would fit right into them slippers. I had the pleasure to see her as I went by her house in late summer b/c her grandson Jude "Bubbs" had graduated from Centennial HS & I wanted to see her because she was just so very proud of him. We had many many chats over these past 4 years & I will certainly cherish the moments in time that Karla & I had with her. May GOD rest her very beautiful soul & may Bern rest in peace forever, Godspeed Bern, :-(
Until we meet again.

“ I had the pleasure of meeting Bernadette through my brother Woody MacFarlane way back in the 70"s., He and Bern worked side by side at King Soopers and they were very close friends. I'll never forget her wedding to Kenny. She was the prettiest bride I'd ever seen. Bernadette had a very special and caring way of making everyone around her feel special. She was witty and so much fun to be around. She also had such beautiful style with her looks as well as her home. She passed that caring nature on to her wonderful children. God has a special place for you in heaven sweet Bernadette.
Thank you for being such an angel here on Earth.
