“*Mary graduated with a two-year degree from the Business and Office Occupations program at Pueblo Community College. She was a very good student and an active member of Phi Beta Lambda. Upon graduation, she obtained an office position at the Pueblo County Courthouse. She was kind and always willing to help others. I remember encouraging her to get her driver's license and having her drive around the Fair grounds and Beulah highway. I helped her get her first car and eventually she got enough courage to drive on the freeway. God bless her and may she rest in peace.*
