“ My thoughts and prayers are with your family. Mrs. Sperry and the "Little Red School House" has a very special space in my heart. So many fond memories! I was fortunate enough to be taught hula with Charity. Because of her the world has been left better than what she found it! She made a difference in so many lives.

“ I will never forget how Lyn taught me to hula with her daughters Lynnette and Leilani. I think my most favorite memory of her was watching her dance and thinking...I will never be able to do it as graceful and beautiful as she does. And how much fun the Steed's and Sperry's had when we got together. Lyn was also an amazing primary teacher. (She taught me how to knit) lol. She was also a fantastic softball coach!!! We always had so much fun!! She will be deeply missed, but I know she is with Heavenly Father and watching over her Ohana. Love, Robbin (Steed) Dietz
