“ I know we had lost touch with each other over years, but I always had fond memories of Michael and the utmost of respect. He was a man's man, the ultimate protector, outdoorsman and friend.
He will always be in my heart.
My deepest sympathy to his family and friends.

“ I'm saddened by the loss of a very nice person. Mike help me more than one time when I worked at CFI&I steel in the chemistry lab. He also showed great compassion when my father died in 2008 and never lost interest in what I was doing with my life. My thoughts are with his family.
