

Michael John O'Grady

March 22, 1953 - December 21, 2024

Michael John O'Grady, age 71 of Weston, Colorado, passed away after a brief battle with cancer on December 21, 2024. He was born in North Syracuse, New York to William and Marion O'Grady on March 22, 1953. Mike was a dear husband, father, brother, uncle, great uncle and friend who will be sorely missed by all who knew him. He lived in Largo, Florida for the majority of his life where he met his eventual wife of 47 years, Dorothy (Mae). He was a hard working man whose jobs ranged from picking tobacco as a teen through a career as a welder for 30+ years. After retirement, Mike and Mae pursued their life-long dream of moving west and settled in Weston, Colorado near their beloved Sangre de Cristo mountain range. He leaves behind his wife, a son Daniel O'Grady, older sisters Karen Alexander and Diane Joslyn and younger brother Tim O'Grady. He is preceded in death by his father, William O'Grady, his mother, Marion O'Grady, and a younger infant sister Janet. He will be cremated and his ashes will be laid to rest at his favorite place.

To my big brother,
Words cannot express how deeply you will be missed. I will cherish all the memories of the great times we had as brothers growing up and the projects we worked together on. I would give anything to have had more time with you - to play a game of cribbage or darts, to plink with our favorite

toys, or just sharing a beer or two with you. I love you bro and will forever keep you in my heart. May God bless you and bring you safely into His loving arms.

Tim (your little brother)
