“ To All My Family,

I am Dina Galassini, your cousin in Arizona. I just found out about Millie yesterday and I want you to know my thoughts and prayers are with you all. I am very saddened to hear about Millie's passing. I last saw Millie prior to my mom's (Rose) passing in October 1998. I have a video from then and I will pull it out. I recall when I was a young girl all the great dinners at Millie and Bob's home. I would always help Millie with washing dishes. She greatly appreciated me for this. I will never forget her jovial laugh and kind heart. She was always upbeat too. I will cherish these childhood memories. I am saddened I haven't seen my cousins in a long time. I've been in Arizona for 23 years. I love you all, even the kids I haven't met. It would be great to meet again and if you are ever in Arizona, please feel free to visit us.

*God Bless you.... your cousin,
Dina Galassini*

“ To the Galassini Family: I've known Millie-Mom most of my life. She gave me a hug when I wasn't used to getting hugs. She fed me marvelous food and she ALWAYS had a smile on her face. She and I had a few road and hiking trips to the mountains. I talked her into her first horseback ride and we laughed so hard at the efforts to get her into the saddle. She wanted to see a moose and, by golly, we saw one on the last leg of the ride. I hold the memories of her so dear and close, and I toast her for her last journey. I know she is smiling.

Love to all of you,

Tam Garner

“ Grandma Millie always sent care packages and birthday cards every year when we were kids. I was telling my wife weeks ago that I wanted to see Millie again soon. It stings that she is gone, but I'm sure it hurts more for the people who had the privilege of spending more time with her.
