“ I have many good memories of Aunt Mona. She was my mother, Evelyn's baby sister.

She was close to my age, 73, and was like a sister to me and my brothers and sister.

I'm sorry my family didn't spend more time with her and her family in our later years.

The memories we do have , are happy ones , and we will always remember

Mona's quick wit and happy face.

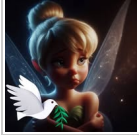

I and my family wish to extend our sincerest sympathy and prayers to Mona's family and loved ones.

Thank you, Mona for touching our lives. Rest in peace.

Sincerely,

Ron Gennetta and Family

“ I have a lot of memories of my Aunt Mona, Uncle Burney, Todd, and Leslie. I didn't know David very well. When I was a little girl we were visiting at her house and I got in trouble for something. My mom made me sit in the bathroom. I had a crayon in my hand so I wrote all over the wall "you are fat!" LoL!

Another time Leslie and I were playing house in the backyard. They had a tent set up and Uncle Berney had a garden. Leslie and I picked all of his bellpeppers. He made us eat them all. It took many years for me to be able to eat bell peppers. LoL! Aunt Mona had the most unique smile and laugh. Her and I only reconnected in the last few years on Facebook. We had exchanged memes and brief messages pretty regularly since. I was hoping to see her again in the next years or two. I'm so sad she is gone. I'll never forget you Aunt Mona. Rest in Peace Aunty.
