“ When I arrived in Pueblo we learned we shared the love of many things, except for the TV show the “Walking Dead!” I discovered there was a Sonic Drive-In not far from the house. I love the chili cheese dogs from there. So I brought us each one and some onion rings for supper one night. What a treat for the both of us! Kathy Godzicki was with us for a visit and we knew we were going shopping shortly. We had asked Aunt Norma what she wanted for supper and she says a burger. When we were walking out the door, about to leave for Walmart, I hear as clear as a bell, “Ladies, I would like a chili cheese dog please!” Alrighty then, she got her chili cheese dog! When ever I see a Sonic I think of this. Thanks for the memories Auntie! Sending you love from here!
