“ *Gerry and Family -- I am so sorry about your mom, but, yes, she is now at peace and not suffering. We have shared so many "mom" moments over the years. She was so beautiful and looked like an angel in her early photo. You loved her dearly and gave her every comfort you could. If I could have a daughter, I would want her to be like you -- loving and comforting. God now holds her gently in the palm of His hand.*

“ *Dear Gerry, I am so happy that your Mom is at peace. You have a "Mother Angel" now, and you know she will still be watching over her precious daughter and son forever.*
