“ *Paul and Elaine were Pat's next-door neighbors when we were dating, and they became our self-appointed chaperones in the months leading up to our wedding. During our years in Colorado and for all the years after they were good friends with whom we shared many memories. From drives over Trail Ridge Road and weekends at Twin Lakes, to watching and hearing of Paul's road to becoming a green beret, and adventurous ski trips, the list of wonderful memories is large. We were so saddened to learn that our latest visit to Colorado would not include a chance to share more memories. Rest in peace dear friend.*
